**STONE'S THROW BOARD PERMISSION FORM
[WATER OR COMCAST CABLE/INTERNET LINE]**

Business Name _____
Licensed Contractor
Phone #

At the request of the owner, as per section 20(b) of the bylaws, residing at Unit owned by _____, the BOARD of STONE'S THROW HOMEOWNERS ASSOCIATION being the owner of the common grounds and elements located at 1003 Stones Throw Drive NW in the city of Huntsville, Alabama, does hereby permit _____ (Contractor name) to install Water line Comcast cable line, for service at the above said property/unit.

As per section 19 of the bylaws, the unit owner responsible for any repairs associated with the installation of the water or cable lines and all associated services used in connection therewith, which are for the exclusive use of his/her unit. The installation shall be done in accordance with all standards of installation & specifications as well as any all state/city laws and ordinances. The installation may involve drilling through vertical walls behind the siding only.

Any drilling/cutting/sawing of walls or trenching/digging/burying/sawing of alteration of the grounds (soil/grass/sidewalks ...etc) to install underground water or cables lines, shall be returned to the original state and condition.

Any damage to the property shall be the sole responsibility of the above named licensed contractor to remedy at the direction of the Board via the homeowner. Should there be disparity between this letter and rules in the bylaws it is understood that the bylaws will take precedent.
