Cooks Pest Control

Dear Homeowners/Residents/Renters,

The Board of Stones Throw Homeowners Association, STCA, has entered into contract with **Cooks Pest Control®**, November 2016, to perform pest control for the exterior and interior of all buildings in our Association. Spraying will be done, on a bi-monthly basis, on the second last day of the respective month depending on which building you reside in, as detailed below. The spraying schedule, outside, is based on numbered (#) months of the year, will be as follows;

| | |
|------------------------|---|
| ODD # MONTHS - | Building A, B, C, D, E + Clubhouse |
| EVEN # MONTHS - | Building F, G, H, I, J |

Cooks Pest Control has informed us that interior spraying may not be needed due to the efficiency of the chemicals creating a barrier inhibiting bugs entering the building. As such, **interior spraying will not be automatically done, however, a homeowner/resident who has an infestation or would like inside spraying, must call Cooks at the number below to schedule (at no cost) an individual spraying/chemical treatment for the interior of their unit. All inside spraying is done during business hours only.**

The STCA Board believes this arrangement will best meet the association needs. If you have any questions, please free to either call/text/email us at your convenience. The new account number above, is effective July 2021

Thank you.
Board STCA.
